When you own a D-8800, it's easy to show off.

With the 3M D-8800 Graphics Generator, you can do all this and more. It gives you ten roll and crawl speeds. Hundreds of fonts. Eight mask positions. Automatic centering, both horizontally and vertically. Generous storage capabilities. And the dynamics of animation. All without any add-ons.

Yet with all its capabilities, you don't need special training to run it. It's quick. It's easy. The keyboard language is simple English. And our optional

System Diagnostics package keeps your maintenance simple, too.

So give your productions the look of the top professionals. Show off with the D-8800.
