

Classified

Advertising rates in Classified Section are \$1.25 per word, each insertion, and must be accompanied by payment to insure publication.

Each initial or abbreviation counts a full word. Minimum classified charge, \$30.00.

For ads on which replies are sent to us for forwarding (blind ads), there is an additional charge of \$35.00 per insertion, to cover department number, processing of replies, and mailing costs.

Classified columns are not open to advertising of any products regularly produced by manufacturers unless used and no longer owned by the manufacturer or distributor.

VIDEO DESIGN ENGINEERS

How about a position with lots of challenge, responsibility, elbow room and opportunity for real professional growth? How about living in the beautiful Rocky Mountains with tremendous outdoor activities and surprising cultural opportunities? We're the Video Equipment Division of Robert Bosch Corporation and we may have the right position and the right location for you.

Our positions require a BSEE and two or more years experience in the design of television signal processing equipment. Primary experience should be in analog video circuit design, but a good background in digital and microprocessor circuit design is also necessary.

Bosch is a world leader in the professional video equipment industry and as such we offer excellent pay and benefits in a stimulating environment.

Please send resume including salary requirements to **Ken Oswald, Robert Bosch Corporation, Video Equipment Division, 2300 South 2300 West, P.O. Box 30816, Salt Lake City, Utah 84130-0816.**
